Maria

Maria was a lovely Italian lady, allegedly with a famous pasta sauce. Maria gathered a crowd in a converted garage, and thus began our first Ballina gatherings

The Theatre

The first official service began in Ballina Players Theatre in 1985

Kari & Kathie

Arriving with one child (eventually SIX!), new church locations were soon birthed across the Northern Rivers & permanent facilities Purchased in Ballina

Community Care

Our downtown care services were established and remain as a force for good in our city
